INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

Listed on accompanying IDS Form, PTO/SB/08A, and PTO/SB/08B, are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

It is believed that the requirement for an English language statement of no-English language documents FR 2,544,179 and FR 2,562,217 is satisfied by providing an English language International Search Report (document NPL1).

Unless otherwise explained, as above, where the publication date of a listed document does not provide a month of publication, if the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date, then the month of publication is not in issue. Applicants have listed publication dates on the attached IDS Forms based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

This Information Disclosure Statement is being filed before the mailing of a first Office Action. No fee is believed to be required.
